

VH-WCC

Cessna 182A

S/N 51438

This Cessna 182a was built in the USA in 1958 as a Cessna 182 with Tricycle Undercarriage. Since being in Australia it has had major modifications.

A few of these are:

- Skydiving In-Flight Door
- Tailwheel Conversion
- Major engine upgrade
- Re -Paint

This Aircraft is now a Skydiving jump plane based at Moruya.
